As a festival we remain very conscious of the need to provide a safe environment for all of our participants, visitors and the Festival committee/ volunteers.

We would ask everyone involved with the Festival to observe the guidance below.

We will be constantly monitoring these guidelines and continue to update the policy as and when required.

- **Cleaning** - Hand sanitiser will be provided throughout the venues
- We will endeavour to maintain high levels of cleaning in all of the areas in use
- **Social Distancing** - We ask that everyone is respectful with social distancing, especially with regard to other participants and committee
- **Masks** - please wear a mask when in close proximity to others
- **Ventilation** - we will endeavour to keep the air flowing in the venues
- **Access** - please use the one-way system when moving in and out of the performance areas

If you or anyone you're in close contact with is feeling unwell or displaying any Covid-19 symptoms please do not arrive for any of the performances.

Please inform a member of the Festival committee, follow the government guidelines, stay at home, following isolation rules and have a test.
