## Festival Rules - Dance

- D1. Age limits apply as at the first day of the Dance Festival.
- D2. Performers may dance only once in each Solo class. In Duet & Trio classes a performer may dance twice in a class provided each dance is with a different partner(s). In Group classes, Schools may only dance twice per class.
- D3. Novice classes are only open to entrants who have not been placed 1st in that style of dance in any competition prior to the first day of the Dance Festival.
- D4. Pre-recorded music must be handed in at the beginning of each session on CD only, clearly marked and ready for the appropriate performance. A separate CD is required for each entry. Please ensure that your CD plays on a CD player or bring an alternative e.g. ipod
- D5. The use of props containing glass, any liquid or other dangerous material will not be allowed.
- D6. Pointe work is not allowed in any Age Group below Category D.
- D7. A Group is defined as 4 or more dancers.
- D8. Performances must not exceed the time limits stated in the schedule. The Committee reserves the right to stop a performance if it exceeds the stated class time limit (see General rule 6). Timing starts when the first dancer comes onto stage OR the curtains open.
- D9. Copyright Compliance (see General Rule 16). Our group licence agreement with the PRS allows permission for Songs from the Shows classes to perform excerpts from musical plays provided that:
- The excerpt does not exceed 25 minutes duration;
  - it is not a complete act of the musical play;
  - it does not constitute a 'potted version' of the musical play;
  - it is performed without any change to either music or lyrics and using only the published or authorized musical arrangements AND...
  - there is no use made of any form of scenery, costume, choreography, staging, character representation or special lighting which gives a visual impression or other portrayal of the writer's original conception of the work from which the excerpt is taken.
